Endorsed by Council	June 2021
Due for Review	June 2024

Purpose and scope	<p>To explain to parents/carers how Berwick Fields will collect, use and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.</p> <p>This policy applies to the general collection, use and disclosure of photographs, video and recordings (“images”) of students. It does not cover the use of Closed Circuit Television (CCTV).</p>
Section 2	<p>This policy outlines the practices that Berwick Fields has in place for the collection, use and disclosure of images of students to ensure compliance with the <i>Privacy and Data Protection Act 2014</i> (Vic). It also explains the circumstances in which Berwick Fields will seek parent/carer consent and how consent can be provided and/or withdrawn.</p> <p>As a general rule, use relates to images which are shared and distributed only within the school for school purposes (i.e. ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.</p> <p>Berwick Fields will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, assemblies, excursions, camps etc. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student’s learning journey, camps, excursions, sports events; and to communicate with our parents/carers and school community in newsletters and on classroom apps.</p> <p>Berwick Fields will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school’s Child Safety Policy. If at any time a parent/carer or student has a concern about the use of any images they should contact a member of the Principal team.</p> <p>In addition to the processes outlined below, parents/carers can contact the school in writing via email to berwick.fields.ps@education.vic.gov.au at any time to withdraw their consent for any future collection, use or disclosure of images of their child. However:</p> <ul style="list-style-type: none">▪ if the images have already been published and are in the public domain, it may not be possible for consent to be withdrawn.▪ There may be occasions when the school will record whole of school or large group events [and make those recordings available to the school community through DVD sales or online broadcast etc], such as school assemblies, productions and
